

1° Campionato Europeo SAM RA

Trofeo Enrico Alvisi

The Italian Society of Historical Aeromodelling – SAM Italia Charter 62 – has entrusted the organization of the 1st European RC SAM Champs to the Aero Club of Rimini which, with the sponsorship of Mr. Mario Alvisi will hold it on the 14th and 15th June 2003.

The competition will take place on the model flying field at Vergiano.

The flying field offers parking space and other comforts.

The flying field is 230 meters long and averagely 60 meters wide all in low cut grass surrounded by large open fields with a 110x10 meters tarmac covered strip.

During the competition days drinks and eats may be bought at the refreshment wagon which will be on the field for all the time.

The entry fee for each model is Euro 10 (\$ 10).

More than one model may be entered in the same event.

Entries on the flying field will not be accepted.

Every competitor must be covered by valid insurance.
